MEMORANDUM FOR: Mr. John Maury

SUBJECT: Conversation with Senator Ervin

1. I finally succeeded in reaching Senator Ervin on the telephone this morning. I told him that Senator Russell had asked me to see him and solicited an appointment at his convenience. Senator Ervin replied that he would be glad to do this if he could find time. He said that today and the next two days were out of the question, that Thursday morning he had a hearing, that he might be able to do it toward the end of the week. I pointed out, [redacted]

[redacted] and proposed that I call him on Monday of next week to set a date. He said that would be much better for him, wished me a good time in [redacted] and ended the conversation on this note.

2. I have made a note to call him on Monday, 22 July.
